technical skill, proficiency and outstanding performance.

Two FB-111, 22 B-52 and 30 KC-135 Stratotanker crews from SAC and three Royal Air Force (Great Britain) delta-wing Vulcan bomber crews will compete in the "world series of bombing and navigation." The General Dynamics FB-111--SAC's newest bomber -- will be making its second appearance in the annual meet.

Each bomber team will fly two scored missions and will be judged on navigation, coupled with simulated bombing from both low and high altitudes. Tanker crews will fly one mission, vying only for navigation honors.

Accuracy of simulated bomb releases will be computed by mobile radar scoring units located along the bomber route.

Sergeant Dejohnett, whose wife is the former Erma L. Holloway, is a 1957 graduate of Morehouse High School.
